Certificate of Accreditation (2013 - 2016)

The Quality Assurance Commission has examined the curriculum and syllabus presented and hereby certify that the Mexican and European programmes of

Universidad Azteca, Mexico

are accredited and validated as aligned in credits to the United Kingdom Qualifications and Credit Framework and thenceforth the Quality Assurance Commission affirmed the comparability in standards and quality to the programmes offered in the United Kingdom. This university has met all the international standards set by the Quality Assurance Commission.

It is attested that the university is accredited and approved by Secretary of Education, Mexico, as university offering study programmes with official recognition, and listed in UNESCO – International Association of Universities Handbook.

This certificate of accreditation is issued by virtue of the authority of the Quality Assurance Commission under the laws of the United Kingdom and the Commonwealth.

Sealed and signed this 8 March 2013.
